

# BUSINESS ADMINISTRATION (BUSI)

---

## **BUSI 2300 Intro to Critical Thinking for Business Decision Making 3 Credits**

**Department:** College of Business

This course will introduce students to basic concepts and tools that improve the students' analytical skills by familiarizing them with the basic principles involved in the theory and practice of critical thinking for reasoned decision-making. Students will use data visualization software such as Tableau that can help them find real answers in their data. The basics of professional business communication will be introduced and students will have the opportunity to write business documents.

**Prerequisite(s):** BULW 1370

**Restriction(s):**

Students with a class of Freshman may **not** enroll.

**Grade Mode(s):** Standard Letter, Registrar do not use FN, Registrar do not use FS

## **BUSI 2305 Business Statistics 3 Credits**

**Department:** College of Business

this course covers descriptive and inferential techniques for business and economic decision-making. Topics which are included in this course are the collection, description, analysis and summarization of data; probability; discrete and continuous random variables; the binomial and normal distributions; tests of hypotheses; estimation and confidence intervals; linear regression; and correlation analysis. Microsoft Excel will be used to analyze data throughout the course.

**Prerequisite(s):** MATH 1324

**Grade Mode(s):** Standard Letter, Registrar do not use FN, Registrar do not use FS

## **BUSI 3300 Critical Thinking for Business Decision Making 3 Credits**

**Department:** College of Business

## **BUSI 5360 Internship 3 Credits**

**Department:** College of Business

Using an outside organization or one of the learning institutes within the College, the student must submit a paper with an analysis of their experiential learning, prepare an industry bibliography and write a paper summarizing the tasks and accomplishments encountered within the organization.

May be Repeated for a maximum of 9 hours

**Restriction(s):**

Undergraduate level students may **not** enroll.

**Grade Mode(s):** Standard Letter, Registrar do not use FN, Registrar do not use FS

## **BUSI 5380 Global Enrichment 3 Credits**

**Department:** College of Business

The global enrichment program allows students to increase their interest in other cultures, become less ethnocentric as they become aware of cultural differences, develop language skills within a cultural context and become more culturally sensitive and accepting. Students can make professional contacts, gain a sense of direction for their future career and gain a sense of responsibility in working on a project.
