

CRIMINAL JUSTICE (M.S.) CYBERSECURITY

Code	Title	Hours
Required Courses for Major		
CRIJ 5320	Theoretical Foundations	3
CRIJ 5331	Quantitative Methods in Criminology	3
Select two of the following:		6
CRIJ 5310	CJ System & Policy	
CRIJ 5330	Planning & Evaluation	
CRIJ 5345	Criminal Justice Leadership	
Select Capstone or Thesis from the following classes that bridge theory and practice ²		3
CRIJ 5346	Capstone in Criminal Justice	
CRIJ 5390	Thesis	
CRIJ 5391	Thesis	
Required Cybersecurity Concentration Courses		9
CRIJ 5314	Cybersecurity Law and Policy	
CRIJ 5315	Digital Forensics	
CRIJ 5316	Cybersecurity Risk Mgmt & Gov	
Select One from the following Cybersecurity Specialized Electives		3
CRIJ 5334	Human Factors in Cybersecurity	
CRIJ 5354	Cyberwarfare & Cyberterrorism	
CRIJ 5344	Cybercrime	
Select One CRIJ general elective: Students can also select from other CRIJ concentrations		3
CRIJ 5321	Constitutional Law	
CRIJ 5322	Correctional Systems	
CRIJ 5324	Serial Murder	
CRIJ 5340	Criminal Justice Studies	
CRIJ 5343	Police, Corrections, and Law	
CRIJ 5384	White-Collar Crime	
Three Cybersecurity Concentration courses for the concentration, and one Cybersecurity specialized elective AND one general CRIJ elective ¹		
Total Hours		30

¹ **Cybersecurity Concentration Courses (3 Courses, 9 Credits)**

Once the core is complete, students will be required to take the specialized "Cybersecurity" track. These are often the "required" courses for the concentration that define the emphasis. One additional Cybersecurity Specialized elective and one additional CRIJ general elective will be needed to complete elective requirements

² To graduate, students may choose one of three options: complete the **CRIJ 5346 Capstone** course, complete a thesis through the two graduate thesis courses **CRIJ 5390 and/or CRIJ 5391**, or pass a **Comprehensive Examination** covering all core and concentration coursework. Students who select the Comprehensive Examination option may then take an elective course to ensure they complete the required **30 total credit hours for graduation**.

First Year		
Fall		Hours
CRIJ 5320	Theoretical Foundations	3
