

ELECTRICAL ENGINEERING (MES)

Degree: Master of Engineering Science

Major: Engineering

Degree Requirements

- a. All College of Graduate Studies general degree requirements
- b. Up to 9 semester hours of core courses as specified by the academic department
- c. A minimum of 15 semester hours (five courses) of electives. Other courses approved by the department graduate advisor may satisfy part of this requirement
- d. Satisfactory completion and defense of a Master's thesis (a minimum of 6 semester hours of ENGR 5390 Thesis and ENGR 5391 Thesis)

Hours

30

Up to 6 credit hours of graduate-level coursework (5000 level) taken as part of B.S. engineering programs at Lamar University can be counted toward the 30-hour degree requirement. These courses shall receive prior approval by the department chair or his/her designee.
