

LIVING AT LAMAR UNIVERSITY

1. Housing and Residence Life

The Department of Housing and Residence Life is committed to providing a living environment that is supportive to the academic mission of the university. We accomplish this by stimulating the learning process and integrating the in-class and out-of-class experiences through activities and knowledge essential to students' preparation for a life of leadership, intellectual engagement, citizenship, and civility.

2. University Residency Policy

All undergraduate students who have graduated from high school with fewer than 30 earned semester credit hours are required to reside in a university-operated residence hall.

3. Parking

To park a vehicle on campus, all faculty, staff, and students are required to purchase a current parking permit and display it properly. A copy of the parking and traffic regulations is issued to everyone who purchases a permit. Parking and traffic regulations are in effect 24 hours a day, all year.
